Stormwater Advisory Committee Agenda

June 24, 2021 at 6:30pm

Google Meet: <https://meet.google.com/nyf-ztzb-jmz>

Our Mission:

- To be the representative of the Town's People and the Board for all stormwater matters other than those that fall under the jurisdiction of the Conservation Commission,
- To focus on adherence to the 'Spirit of the Law'
- To be knowledgeable about Stormwater Regulations, options and methods of compliance
- To provide oversight of the Town's compliance with Stormwater regulations
- To provide to the Board and the Town's People an annual report on the state of stormwater compliance and make recommendations for further action
- To partner with the DPW, Conservation Commission and others to;
 - Provide increased public awareness of stormwater issues and methods
 - Provide education of the public in general and youth in our schools
 - Provide recommendations for improving stormwater management
 - Advise on funding issues, bylaw changes, the provision of incentives and other Stormwater related issues that may arise.
