Acceptance of Minutes

This meeting is to discuss roadway improvements that are being proposed by the condo association in regards to Algonquin Trail and Captain Eames Circle

1. **Road Diet**- (Center line and two white side lines- with no specific 'bike lane' design markings for the full lengths of both Algonquin Trail and Captain Eames Circle.
2. **Speed Cushions**- (Two sections to be located on Algonquin Trail)
3. **Center Median Island Flush** (One location, on Algonquin near VTP mailbox- *For Phase 2 **or** as an alternative action to Speed Cushions, if they are rejected by the Town Fire Department)
4. **Crosswalk U-at the T intersection** – Fully repainted crosswalk and/or center, 'STOP' letters painted in road, with ladder style crosswalks. Investigate option of having a color in the center, and the cost of raised/stamped pavement, (*I.E. Patriot Place) Clarify with MDM if ADA curb cuts are mandatory within a private road community.
5. **Crosswalks at the parallel roads to Algonquin Trail**- *all agreed to presenting consistent ladder style crosswalk design throughout the property.
6. **Crosswalks across Algonquin and across Captain Eames at the Starlight Mailboxes on Captain Eames**- *Phase 2- Future review within one year, to include additional safety crosswalks, in the consistent ladder style design throughout the property.
