operation of the enterprise rather than closing it out to the general fund at year-end. We have sewer, water and trash enterprise accounts.

**Exemption**

Established by statute, it is a discharge from the obligation to pay all or a portion of a property tax. The exemption is available to particular categories of property or persons upon the timely submission and approval of an application to the assessors. Properties exempt from taxation include hospitals, schools, houses of worship, and cultural institutions. Persons who may qualify for exemptions include disabled veterans, blind individuals, surviving spouses, and seniors.

**Fiscal Year**

The Fiscal Year starts July 1st of each year and ends June 30th the following year.

**Free Cash**

Remaining, unrestricted funds from operations of the previous fiscal year including unexpended free cash from the previous year, actual receipts in excess of revenue estimates shown on the tax recapitulation sheet, and unspent amounts in budget line-items. Unpaid property taxes and certain deficits reduce the amount that can be certified as free cash. The calculation of free cash is based on the balance sheet as of June 30, which is submitted by the community's accountant. This amount is certified annually by the Massachusetts Department of Revenue and thereafter is available for appropriation by a Town Meeting.

**Levy Limit**

The amount of property taxes that can be raised in accordance with Proposition 2½ formulas. The levy may be raised by 2½% plus new construction.

**Local Receipts**

Income derived by the Town from Motor Vehicle excise taxes, fees, licenses and permits, penalties & interest on taxes, etc.

**New Construction**

New growth and increases to property independent of market inflation are added to the levy limit in addition to the 2½% inflation increase allowed under Proposition 2½.

**Omnibus Budget**

For convenience, all recommended appropriations for operating expenses of the various Town departments and boards are gathered together in one article called the Omnibus Budget. The period covered by the Omnibus Budget is the upcoming Fiscal Year, and money not spent during this period reverts to Free Cash. No department or board can overspend its budget.

**Overlay**

An account established annually to fund anticipated property tax abatements, exemptions and uncollected taxes in that year. The overlay reserve need not be funded by the normal appropriation process, but rather is raised on the tax rate recapitulation sheet.

**Override**

A vote by a community at an election to permanently increase the levy limit. An override question on the election ballot must state a purpose for the override and the dollar amount.

**Raise and Appropriate**

A type of funding for Town expenditures voted at Town Meetings. The funds are raised through taxes, local receipts, and state reimbursements. Funds raised and appropriated in warrant articles are available until a time set by the article or until voted out by a subsequent Town Meeting.

**Reserve Fund**

A fund, established by each Town Meeting, for extraordinary or unforeseen expenses in the upcoming fiscal year. The Finance Committee alone may transfer money from this fund, thus eliminating the need for frequent Special Town Meetings. The fund may not exceed 5% of the preceding year’s tax levy.
Revolving Account
Allows a community to raise revenues from a specific service and use those revenues without appropriation to support the service.

Stabilization Fund
A fund designed to accumulate amounts for capital and other future spending purposes, although it may be appropriated for any lawful purpose. It retains its own investment income. Selected Town Meeting Procedures

Amending an Article: Any time after a main motion has been made and seconded, but before being voted on, it is possible to amend the main motion using the following procedures:

1. Proceed to a microphone and wait to be recognized by the Moderator.
2. Announce your intent to amend the motion verbally and submit a copy of the amended motion in writing to the Moderator. The motion to amend must include your name as sponsor. Any increase in appropriation must include a funding source.
3. The Moderator will ask for a second to the motion to amend.
4. If passed, the motion to amend will be opened for discussion and then must be voted on by Town Meeting separately from the main motion.
5. A simple majority is required to pass a motion to amend.
6. More than one motion to amend can be made to a main article, but each must be presented and voted on one at a time. A motion to amend must be made before the main motion is voted on.
7. After all motions to amend are voted, the main motion (or as amended) must be voted on.

Necessary Majorities *

Unless noted otherwise, a simple majority is required to pass a motion.
A 2/3 majority is required for all borrowing, land acquisitions or transfers and all zoning by-laws.
A 4/5 majority is required at Annual Town Meeting for unpaid bills of prior fiscal years.
A 9/10 majority is required at Special Town Meetings for unpaid bills of prior years.

Only votes cast will be counted in determining the percentage of votes in favor of a motion. If there are 170 voters present and 100 vote yes, 50 vote no and 20 do not vote, the results shall be interpreted as 100 yes votes out of 150 votes or 66.67% in favor.

* Please note that these vote majorities are for example only and there may be other types of votes which fall under each of the categories listed above.
