Call to order: 7:00 P.M.

7:00 Review of the February 10, 2020 Meeting Minutes
The Commission reviewed the Meeting Minutes.

Mr. Wands made a motion, seconded by Mr. Narayana, to accept the February 10, 2020, Meeting Minutes as amended. Motion passed 7-0-0.

7:01 95-878, Kelly Engineering Group, Request for Extension, Cirrus Road, and detention basin
The Agent explained that the Applicant is requesting an extension to the OOC that was issued for final stabilization to allow grass to take place within the basin located off of Cirrus Road and the MBTA Access Road.

Mr. Hakansson asked if anyone will be present and asked why the basin is failing. The Commission requested that someone be present for this discussion.

Mr. Narayana, made a motion seconded by Ms. Van Lancker, to continue the hearing to March 9, 2020. Motion passed 7-0-0.

7:05 Discussion, Rachel and Tyler Champagne, 274 Cordaville Road, tree removal for solar panels
Mr. Tyler Champagne (owner) was present for the discussion. The Agent explained that he would like to have non-hazard trees removed to install solar panels on the roof of his home. Mr. Crouch asked who told him to have the trees removed Mr. Champagne explained that he has received two quotes and that both companies told him to remove the trees. The Agent mentioned that the property was within the 200 Foot Riverfront Area to the Sudbury River, and floodplain. The Agent also stated that according to GIS, the floodplain was not located in the areas of the planned tree removal. The Agent said that the floodplain elevation is 208 feet, and the GIS shows the elevation of the home at 216 feet.
The Agent asked about permitting. The Commission said that they are comfortable with an RDA filing. The Agent also said that the owner does not have access to a plot plan. Mr. Champagne said he contacted his closing attorney and his mortgage company and they did not have a plot plan. The Commission expressed concern over this. Mr. Crouch asked if he is currently paying flood insurance.

7:10  Agent’s Announcements
Mr. Jonathan Kazarian (Applicant for an OOC File Number 95-902) was present for the discussion. The OOC was issued for work at 123 Green Street. The Agent explained that an after-the-fact NOI was required after the Applicant removed some plants within the Buffer Zone, but out of the No Disturb Zone. The Agent said that mitigation required plantings of native species within the area where vegetation was removed, and that vegetation has since grown back which consists of sweet pepperbush, and blackberries. The Agent said that the Applicant never got to the work, and then received a letter from the Agent which stated that his OOC will expire soon. Mr. Kazarian explained that his children were born during the time that the permit was issued, and was unable to get to the work. The Agent explained that there is bittersweet taking over the trees in the back behind his existing fence. The Agent stated that he would also like to replace the existing fence, but would need to prune back some vegetation in order to install the fence.

The Commission stated that he does not need to do the plantings, but can remove the bittersweet. The Commission said that the Agent should observe conditions after one growing season.

The Agent also mentioned that the OOC needs to be recorded, and that she cannot finish drafting the Extension until recording information is received. The Agent said that the OOC speaks to the mitigation area. Ms. Van Lancker said that the Meeting Minutes will address the change in the work. Mr. Moulton said that it can be a condition of the extension.

Mr. Narayana recused himself from the 30 Raymond Way discussion

7:23  Caryn and William Kane, 30 Raymond Way, deed restriction
Ms. Caryn Kane, and Mr. William Kane (owners) were present for the discussion. The Agent explained that the Deed Restriction has been reviewed by Town Management and changes have not been made. The Commission reviewed the deed restriction.

Ms. Van Lancker made a motion, seconded by Mr. Wands to accept the Deed Restriction. Motion passed 6-0-0.

Mr. Narayana returned to the meeting
Mr. Crouch recused himself from the Mass DOT discussion

7:57  Review 95-931, Massachusetts Department of Transportation, Route 126 (Pond Street), Wetland Replication Plan
