Call to Order
Preston Crow, Chair called the meeting to order at 7:24 pm. Joe Rubertone, Member; Dale Buchanan, Member; and Tricia Kendall, Member were present. Emma Snelling, Assistant Town Planner was also present.

Mr. Crow mentioned that the meeting is being recorded and broadcast by WACA TV and reviewed the meeting agenda. Also, due to COVID-19 social distancing practices, Mr. Crow explained that the public may participate in the meeting remotely by submitting comments to ashland.planningboard@ashlandmass.com.

Public Hearing - 29 & 41 Alden Street Special Permit and Site Plan Review
Mr. Crow opened the hearing and asked the applicants to provide an overview of the project.

Terry Morris, Attorney representing the applicant Charles Zammuto, appeared. Mr. Morris introduced the project team and explained that the applicant is seeking a Special Permit for a 4-story, multi-family building with 19 rental apartment units on 3 floors above a ground floor lobby with parking for 34 cars, 27 garage spaces and 7 external surface spaces. Fifteen of the units are 2-bedroom, 2 bath units and four are 1-bedroom units, with an average size of 715 square feet to 1020 square feet. The property is located at 29 & 41 Alden St., in the Commercial Highway Zoning District and Ashland Downtown District Subarea C. Mr. Morris provided aerial photographs of the site and a general description of the 35 ft. high existing building, and renderings of the 42 ft. high proposed building's design and setbacks.

Rick Salvo, of Engineering Alliance, described the existing lot’s impervious roof and pavement areas that totals 18,480 sq. ft. The proposed building is 10,660 sq. ft., with 5,900 sq. ft. of paved parking and 4,526 sq. ft. of landscaped area, which is a 1,900 sq. ft. increase from the existing lot. Mr. Salvo reviewed the proposed groundwater recharge, stormwater and drainage controls that will result in net zero runoff.

Ron Burke, Architect from Burke Design Group, appeared and described the proposed roof design that will conceal the mechanicals. Mr. Burke provided a general overview of the building's gable rooflines, composite trim and window design.

Charles Zammuto appeared and explained that the roof will accommodate the mechanicals as well as solar panels. In addition, indoor charging stations and bicycle storage are planned. He also mentioned that the building will be energy efficient and the mechanicals rated 95 plus.

Mr. Crow asked whether the neighboring building occupied by Powertune is encroaching on the lot and asked the applicant to discuss the proposed landscaping plans with the owner and the impact on the existing driveway.

There was a brief conversation about on-street parking and suggested the applicant stripe their surface spaces. In addition, the building's scale and height was discussed and whether reducing its density would better align the building with the neighborhood and allow for the stacked parking to be eliminated. Mr. Morris clarified that the floor area ratio (FAR) is...
Mr. Crow asked, and Mr. Morris responded that they would be open to including at least two affordable units although it is not an expressed provision in the ordinance.

Mr. Crow opened the meeting for public comments.

Mr. Crow read emails from Julie Nardone concerning the historical nature of the existing buildings, and Ingrid Salgado concerning the road surface conditions. Mr. Zammuto offered to donate the existing building and allow it to be moved from the site.

Mark Dassoni asked for more information regarding the building's scale and garage door height.

Nancy Wang asked the developer about his plans for the other properties he owns in the area. Mr. Zammuto responded that the plan is to build a mixed-use development that includes an artist community and residential space.

Mr. Buchanan made a motion to continue the 29 & 41 Alden St. public hearing until March 26, 2020 at 7:30 pm. The motion was seconded by Mr. Rubertone with a vote of 4-0-0.

Public Hearing – 81 West Union Street Phase II Special Permit and Amended Site Review hearing

Mr. Crow reopened the Site Review hearing continued from the February 27, 2020 meeting.

Attorney Nelson Santos, of Fletcher Tilton, appeared on behalf of Attorney Peter Barbieri. Mr. Santos requested a continuance given the Town Planner and a member of the board were absent. The board requested the applicant extend the filing decision deadline until April 2, 2020, and the applicant declined.

Mr. Buchanan made a motion to continue the 81 W. Union St. public hearing until March 26, 2020 at 8:00 pm. The motion was seconded by Mr. Rubertone with a vote of 4-0-0.
