Peter,

Thank you for the advance notice on the timeline. This will confirm our understanding that we will not be presenting before the Planning Board on June 8 due to the continuance requested for the Design Review Committee until June 15. Furthermore, please consider this a request to extend the time in which the planning Board must act on the site plan approval until July 20, 2023.

Peter,

Pursuant to our conversation earlier this afternoon this is to request a continuance of the above referenced matter scheduled to be taken up by the Design Review Committee on Thursday, June 1. This is requested due to a client conflict with the Framingham Planning Board meeting that same night.

Grace Be With You,

*Terry*
