Subject: TOWN OF ASHLAND - Your Building Permit Application Requires Additional Information

The TOWN OF ASHLAND BUILDING DEPARTMENT requires additional information for your Building Permit Application:

Address: **29 HARDWICK RD**
Project Category: **Addition**
Application Number: **BPA-23-465**

Additional Info Required: upload any information you have designed this as a fully separate unit, you must go before the ZBA for approval.
you have not uploaded the Con Com approvals you need to hire a HERS rater to do a report, while it is attached to the existing house, it is completely separate and will be considered a separate unit 8/14/23 you must go the the ZBA for approval, there is no HERS report. as it is drawn, this will be viewed as a separate unit and therefore subject to those requirements relating to the Energy Code.

If you are a registered SimpliCITY Permits user you can [Click Here To Provide Requested Additional Information.](#)

If you are NOT a registered SimpliCITY Permits user, please call or email the TOWN OF ASHLAND BUILDING DEPARTMENT with the requested additional information. Be sure to reference the application number above with all correspondence.

Thank you
