Re: Planning Board Application
Property Address: 400 Cedar Street, Ashland, MA
Assessor's Map 29, Lot 132 (the "Property")
Applicant: T-Mobile Northeast, LLC

Dear Honorable Members of the Planning Board:

This firm represents T-Mobile Northeast LLC ("T-Mobile") in connection with its previously filed application to the Town of Ashland Planning Board (the "Board"), to modify T-Mobile's existing wireless communications facility on the existing water tank (the "WT"), located on the Property.

T-Mobile requests the continuance of its hearing currently schedule before the Board on October 26, 2023, to the Board's first hearing in November, believed to be on November 9th, 2023. T-Mobile believes that continuing the hearing to this date will allow time to obtain the third-party peer review report in connection with T-Mobile's proposed modification of its facility.

Please contact me should you have any questions or need additional information in connection with this request.

Sincerely,

Adam F. Braillard
