TOWN MEETING VOCABULARY

Abatement	A reduction or elimination of a real or personal property tax, motor vehicle excise, a fee, charge, or special assessment imposed.
Available Funds	Balances in the various fund types that represent non-recurring revenue sources. Examples include free cash, stabilization funds, overlay surplus, and enterprise retained earnings.
Bond	A means to raise money through the issuance of debt.
Bond Authorization	The action of town meeting authorizing the executive branch to raise money through the sale of bonds in a specific amount and for a specific purpose. Once authorized, issuance is by the treasurer upon signature of the selectmen.
Cherry Sheet	An annual statement from the Massachusetts Department of Revenue detailing estimated reimbursements and charges to the Town. Its name derives from the fact that it was once written on cherry colored paper. In this manner the Town receives its share of various state funds and aid accounts, and is charged its share of running state government. Although the Cherry Sheet is required to be distributed by the first of March of each year, in actuality it is sent after the Legislature has passed the budget, which may not occur until June or July.
Citizens' Petitions	10 citizens for an Annual Town Meeting or 100 citizens for a Special Town Meeting may submit a petition requesting that a specific article be included in the next Town Meeting warrant for consideration. 200 citizens may submit a petition calling the Board of Selectmen to set a Town Meeting within 45 days.

Community Preservation Act	Permits towns accepting its provisions to establish a restricted fund from which monies can be appropriated only for a) the acquisition, creation and preservation of open space; b) the acquisition, preservation, rehabilitation, and restoration of historic resources; and c) the acquisition, creation and preservation of land for recreational use; d) the creation, preservation and support of community housing; and e) the rehabilitation and restoration of open space, land for recreational use and community housing that is acquired or created using monies from the fund.
Community Preservation Fund	A special revenue fund established to receive all monies collected to support the community preservation program, including but not limited to, tax surcharge receipts, proceeds from borrowings, and funds received from the State.
Debt Exclusion	A community may vote at an election to exclude debt service payments for a particular capital project from the levy limit. The amount necessary to cover each year's principal & interest is added to the levy limit for the life of the debts.
Enterprise Fund	An enterprise fund is a separate accounting and financial reporting mechanism for municipal services for which a fee is charged in exchange for goods or services. With an enterprise fund, all costs of service delivery--direct, indirect, and capital costs—are identified. This allows the community to recover total service costs through user fees if it chooses. Enterprise accounting also enables communities to reserve the "surplus" or net assets unrestricted generated by the operation of the enterprise rather than closing it out to the general fund at year-end. We have sewer, water and trash enterprise accounts.
Exemption	Established by statute, it is a discharge from the obligation to pay all or a portion of a property tax. The exemption is available to particular categories of property or persons upon the timely submission and approval of an application to the assessors. Properties exempt from taxation include hospitals, schools, houses of worship, and cultural institutions. Persons who may qualify for exemptions include disabled veterans, blind individuals, surviving spouses, and seniors.
Fiscal Year	The Fiscal Year starts July 1 st of each year and ends June 30 th the following year.
Free Cash	Remaining, unrestricted funds from operations of the previous fiscal year including unexpended free cash from the previous year, actual receipts in excess of revenue estimates shown on the tax recapitulation sheet, and unspent amounts in budget line-items. Unpaid property taxes and certain

deficits reduce the amount that can be certified as free cash. The calculation of free cash is based on the balance sheet as of June 30, which is submitted by the community's accountant. This amount is certified annually by the Massachusetts Department of Revenue and thereafter is available for appropriation by a Town Meeting.

Levy Limit	The amount of property taxes that can be raised in accordance with Proposition 2½ formulas. The levy may be raised by 2½% plus new construction.
Local Receipts	Income derived by the Town from Motor Vehicle excise taxes, fees, licenses and permits, penalties & interest on taxes, etc.
New Construction	New growth and increases to property independent of market inflation are added to the levy limit in addition to the 2½% inflation increase allowed under Proposition 2½.
Omnibus Budget	For convenience, all recommended appropriations for operating expenses of the various Town departments and boards are gathered together in one article called the Omnibus Budget. The period covered by the Omnibus Budget is the upcoming Fiscal Year, and money not spent during this period reverts to Free Cash. No department or board can overspend its budget.
Overlay	An account established annually to fund anticipated property tax abatements, exemptions and uncollected taxes in that year. The overlay reserve need not be funded by the normal appropriation process, but rather is raised on the tax rate recapitulation sheet.
Override	A vote by a community at an election to permanently increase the levy limit. An override question on the election ballot must state a purpose for the override and the dollar amount.
Raise and Appropriate	A type of funding for Town expenditures voted at Town Meetings. The funds are raised through taxes, local receipts, and state reimbursements. Funds raised and appropriated in warrant articles are available until a time set by the article or until voted out by a subsequent Town Meeting.
Reserve Fund	A fund, established by each Town Meeting, for extraordinary or unforeseen expenses in the upcoming fiscal year. The Finance Committee alone may transfer money from this fund, thus eliminating the need for frequent Special Town Meetings. The fund may not exceed 5% of the preceding year's tax levy.
Revolving Account	Allows a community to raise revenues from a specific service and use those revenues without appropriation to support the service.
Stabilization Fund	A fund designed to accumulate amounts for capital and other future spending purposes, although it may be appropriated for any lawful

purpose. It retains its own investment income. A two-thirds vote is required on any vote relative to this Fund. This fund serves as the Town's primary "rainy day" fund.
