Central Massachusetts Mosquito Control Project personnel will be in your community to respond to residents' concerns about mosquitoes in their area on the following dates in May/June:

May 30, June 5, 12, 19, 26

Any dates in May are very tentative, and all dates are subject to change due to weather conditions, mosquito populations, mosquito virus activity and/or special event spraying. This program will shut down when cool night time temperatures become predominant in the area. A detailed notice about our spray schedule is posted on the CMMCP phone system after 3:30 p.m. each day, and it is also listed on our website at <http://www.cmmcp.org/pesticide.htm>.

Requests for service may be recorded by calling the CMMCP office at (508) 393-3055 between 7:00 AM - 3:30 PM, Monday through Friday, or logging on to <http://www.cmmcp.org>. Results of these requests may initiate an application of mosquito insecticides to defined, site-specific areas of town. Such an application may be accomplished by using hand or truck mounted equipment depending on the extent of the application.

Per 333CMR13.03(1)(a): "Wide Area Applications of pesticides and mosquito control applications of pesticides approved by the State Reclamation and Mosquito Control Board shall not be made to private property which has been designated for exclusion from such application by a person living on or legally in control of said property." Notices were sent to all City and Town Clerks on January 20, 2017 to alert them of changes to the pesticide exclusion process; CMMCP will continue to accept exemptions during the year following the process outlined here: <http://www.cmmcp.org/exclusion.htm>.

Please list this information in the local newspapers and on the local cable access channels if possible. Thank you for your assistance.

Sincerely,

Timothy D. Deschamps
