

ABOUT A YEAR AND HALF AGO MY NEIGHBOR AT 86 HILDALE RD SAID SHE WAS GOING TO PUT IN A PLY AREA FOR HER GRAND CHILD AND ASK ME ABOUT PERMIT. I THOUGHT SHE WAS GOING TO PUT IN A COUPLE LOAD OF LOAM AND PLANT SOME GRASS

INSTEAD SHE PUT IN APPROXIMATELY 50 TRUCK LOAD OF FILL THAT COMPLETELY CHANGE THE GRADE & SLOPE OF THE BACK YARD AND MY ABUTTING AREA

THE OPERATOR OF THE EXCAVATOR WAS FORMING A DITCH BETWEEN THE TWO PROPERTY LINE. THAT LOOK LIKE PLACE FOR WATER RUN I TOLD THE OPERATION THAT I DID NOT APPROVE OF THIS I ASK THE OPERATION IF HE HAD THIS PROJECT ENGINEER FOR WATER RUN OF HE SAID NO I ALSO ASK HIM IF HE HAD A PERMIT TO DO THIS WORK HE SAID THAT HE DID NOT NEED ONE

AT THAT POINT I WENT TO THE TOWN HALL AND ASK MR CRISAFULLI. AT THAT POINT HE STOP THE PROJECT

I HAVE TAKEN SOME PICTURES WHERE  
THE PROPERTY LINES MEET THAT SHOW  
THE GULLY AREA ALSO OF A DRAIN P.P.  
STICKING OUT OF THE ROCKS AND THE  
BACK OF THE PROPERTY LINE OF THE  
TOWN OWN LAND WHERE THREE WERE  
CUT DOWN
